

# Personal Financial Assessment

**BALANCE**  
Financially Empowering You

BALANCE offers financial information and counseling nationwide to help individuals and families make the most of their money. We offer solutions for those experiencing a financial crisis, suggestions and guidance for those facing money challenges, and practical information for those considering financial opportunities. Each year, we help thousands achieve their financial goals.

During this call, you can expect to receive thorough, non-judgmental counseling. The session will include a discussion of your current situation and your concerns, including a review of your income, expenses and debt, an explanation of your options, and an action plan.

If you are having trouble keeping up with your bills, one of your options might be consolidation of your bill payments. Our Debt Management Plan allows you to make one payment to all your creditors through us. We will also negotiate with your creditors to stop collection action, lower payments and, in some cases, reduce or eliminate interest and fees.

# Assets

Please use this worksheet to record your existing financial situation. There is no need to mail this form back to us. During the call, the counselor will ask you what you entered for each category, and will use this information to offer solutions and suggestions to help you master your money. Calculate your monthly income. Please enter your gross pay (before taxes and other deductions) and your net pay (face value of your check). Include variable income received each month, such as commissions, as well as periodic income, such as a large tax refund or bonus. This will have to be divided by 12 to get the monthly figure.

## Agreement

Please read the following statements carefully. At the time of your counseling session, your verbal acceptance of this agreement will be requested.

- I understand BALANCE will provide a personal money management consultation after which I will receive a written action plan consisting of recommendations for handling my finances, possibly including referrals to other services or agencies as appropriate.
- One of the possible outcomes of the consultation may be to repay my creditors through a Debt Management Plan. I understand that BALANCE and its affiliate companies receive funding from those creditors and that the Debt Management Plan serves the dual role of helping me repay my debts and helping creditors collect the money owed them.
- A counselor may answer questions regarding financial issues, but not give legal advice.
- At some point in the future, information discussed in the counseling session, or obtained from my credit report, may be used for confidential research and/or a neutral third party may contact me to request an evaluation of the agency's services.
- I hold BALANCE, its employees, agents and volunteers harmless from any claim, suit, action or demand of my creditors, myself or any other person resulting from advice or counseling.
- I understand that unless I choose to "opt-out," the agency will, if asked by my creditors, verify my appointment as well as the date and results of that appointment. I further understand that I have the right to "opt-out" of having this information shared by calling the BALANCE "opt-out" line (888.440.4663).
- If referred by a financial institution – I understand that the results of the session will be shared with my referring institution, so that they may offer other services to assist me in achieving my financial goals.
- I authorize the agency to access my credit report for account verification and for confidential research in the future. I understand these reports being accessed will not have a detrimental effect on my credit score.
